Welcome to this Sound of Knowledge CD-ROM. This disc
requires the following software to operate:
- Adobe Acrobat Reader 4.05 or greater
- QuickTime 4.1.2

If you do not have this software, or are unsure of which version
you have, use this link to install Adobe Acrobat Reader 5.0,
and use this link to install QuickTime 5.

⚠️ Restart your computer after installing any software!

If your software meets the above requirements,
use this link to continue.
