## Welcome to the DEFCON15 2007 Synchronized DVD-ROM Set

This 10 Disc DVD-ROM Set consists of:

An Installer/Introductory Disc (currently viewing) which contains

- installers for [Adobe Reader 8.0](#) and [QuickTime 7](#)
- a [session listing](#) for the entire DVD-ROM set
- the recorded audio sessions in an ID3 tagged, mp3 format (see [mp3 Instructions](#))
- an [End User License Agreement](#)

The Content Discs (Disc 2-10) which contains

- a linked listing of all sessions available on that particular disc
- the speaker presentations\* synchronized with session audio on that particular disc
- a software help/technical support page

To proceed and install the necessary software, click view installer page

\*Due to program changes and speaker consent, changes may occur, and not all presentations may be available.

This disc requires Adobe® Reader® 8 or greater, and QuickTime™ 7 or greater to operate properly. It may open in an earlier version of Adobe Reader, but the search button will not function and the graphics quality will be reduced.

Click the links to the left to install the correct versions or if you are unsure of what versions you have.

**WARNING:** Installing software may require you to restart your computer.

If you have this software installed, please read the [End-User License Agreement](#) and click “I Agree” below to continue.
